

Land Owners and Managers Update

Know how. Know **now.**

Topics we will cover:

- Landowner and tenant relations and communications
- Trends in real estate values and where this market might be headed
- Flexible cash leasing provisions and how they are used to manage drought and risk
- Managing pasture leases and using flexible leasing provisions in pasture livestock production, where applicable

A workshop on land ownership trends and economics

Antelope Co. Fairgrounds

4H Building in Neligh, NE

Feb. 25th, 2015 From 1p - 4p

THIS MEETING IS FREE! We provide materials, handouts, refreshments, and presentation.

Space is limited, please call to reserve your spot

The objective of this program is to provide practical information and strategies to help Nebraska land owners, managers, and farm operators understand the most recent trends in agricultural land values, rental rates, and market outlook for real estate in 2015.

For more information, or to pre-register, please call the listed number. **Pre-registration in required!**

Meeting presenters include:

- **Tim Lemmons - UNL Extension Educator in Ag Economics and Farm Management, Northeast Research and Extension Center**
- **Al Vyhnalek - UNL Extension Educator in Ag Economics and Farm Management, Northeast Research and Extension Center**
